The Laminex CrystalGloss surfaces range is marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in the brochure are as close to the Laminex CrystalGloss surfaces range as photographic lighting and modern printing processes allow. Laminex CrystalGloss surfaces range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex CrystalGloss surfaces should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of Laminex CrystalGloss surfaces 7 year limited warranty from [laminex.com.au](http://laminex.com.au). This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex,® CrystalGloss®
