TEXTURED SURFACES

Laminex®  
Inspire your space

Laminex® Impressions™ textured surfaces add extra dimension to any space. An alluring combination of texture and light reflection, paired with contemporary woodgrain, linear and stone patterns plus solid colours definitely make quite an impression. There are three attractive finish options in Riven, Nuance, and Spark, which offer a luminous, tactile realism, creating a striking point of interest. Each texture adds unparalleled depth to colours and delivers an impressive look. Riven and Nuance enhance the beauty of vertical panels and cupboard doors, offering a fabulous alternative to timber veneer, while Spark adds shimmer and a touch of class to benchtops and counters. Available in a selection of decors from the Laminex Colour Palette, this unique range of textured surface solutions integrates seamlessly with most other products in the Laminex range. Surfaces are durable, easy to clean and maintain, and are complemented by a 7 year limited warranty. Feel the difference and bring your designs to life with Laminex Impressions textured surfaces.

Spark finish is ideal for benchtops and counters, adding depth and a stylish shimmer to stone patterns. Its striking realism evokes the natural beauty of sparkling quartz grains embedded in stone. To add intrigue, this stunning effect varies in appearance depending on which angle the light hits it. Used on certain solid colours from the Laminex® Colour Palette, Spark adds flickers of light across the surface bringing benchtops to life.

Nuance finish has been designed for vertical panels and cupboard doors. A realistic alternative to timber veneer, it adds dimension and style to woodgrains and linear patterns whilst offering a more tactile surface with a charmingly natural look and feel. And with its striking range of bold and bright colours, Nuance creates a unique impression of painted wood features. Add to that matching textured ABS edging and you have a look that's warm, contemporary and completely flawless.
